Psalm 63:7 Guide

Read the Verses Together

Because you are my help
I will sing in the shadow of your wings.
Psalm 63:7 (NIV)

Define Hard Words

- *Help - aid, assist, make easier for someone
- *Shadow of your wings - place of shade & protection when we come close to God

Ask Your Kids

- * How has God helped you this week?
- * How can you sing about how God has helped you?
- * How can you stand close to God each day?

Engage Your Kids

- * Role play with your kids that you are a mama chicken trying to protect her chicks (your kids) from a predator.
 - * Stretch out your arms and tell your kids to stand super close to your sides.
- * If possible, have someone else throw things at you (like pillows) and protect your kids from them.
