Psalm 63:6 Guide

Read the Verses Together

On my bed I remember you;
I think of you through the watches of the night.

Psalm 63:6 (NIV)

Define Hard Words

- *Remember - bring to mind, think about
- *Watches of the night - time of the night when we are asleep

Ask Your Kids

- * What is one amazing thing has God done?
- * What makes God so special and memorable?
- * How can you remember God if you wake up in the night?

Engage Your Kids

- *Role play with your kids that you are sleeping and you wake up scared.
(feel free to add in lots of drama here).
- * Say, "I remember that God is always with me.
He keeps me safe,
and He helps me lie down and sleep in peace."
(Psalm 4:8)
- * Have them practice waking up scared and remembering who God is and what He does for us.
