

# God Satisfies

## Psalm 63:5 Guide

### Read the Verses Together

My soul will be satisfied as with the richest of foods;  
With singing lips my mouth will praise you.

Psalm 63:5 (NIV)

### Define Hard Words

- \*Soul - life inside you that lives forever
- \*Satisfied - totally filled up until you're full
- \*Praise - tell God how amazing He is and the good things He has done

### Ask Your Kids

- \* How does God fill us up?
- \* What might be getting in the way of you spending time with God?
- \* What is one thing you can do to spend more time with God?

### Engage Your Kids

- \*Make your kids a delicious treat and let them eat as much as they want until they are totally full.  
(but maybe not so full they hurt!)
- \*Explain: just like food satisfies our hunger,  
God satisfies our soul.
